This *Directory* lists all Canadian posts abroad with foreign trade and tourism responsibilities. The names of heads of posts have also been included, together with those of officers with immediate responsibility in the commercial, economic and tourism fields.

You should feel free to communicate directly with the commercial section at any mission. In addition, the head of post, as over-all manager of the mission, is ready to assist on matters you might prefer to bring to his attention. In such cases, you should get in touch directly.

Posts which do not have a resident trade officer are indicated with an asterisk and the location of the trade office for the area is given. Where appropriate, territorial cross-references are also provided.

While changes occur frequently, every effort has been made to keep the *Directory* as current as possible.

# BUSINESS DIRECTORY OF CANADIAN TRADE REPRESENTATION ABROAD

April 1984

**For more information  
or for extra copies of this *Directory***

**please contact:**

Cultural and Public Information Bureau (SCS)  
Department of External Affairs  
Ottawa, Ontario, Canada K1A 0G2

**PLEASE NOTE:**

Companies in Canada communicating with trade  
commissioners abroad by telex should include on every  
telex:

- Name of Company
- Address
- Telex Number (including regional code)
- Answerback

With the above information, replies coming through  
External's computerized system will be retransmitted by  
NOCAM without manual intervention.

This *Directory* lists all Canadian posts abroad with foreign trade and tourism responsibilities. The names of heads of posts have also been included, together with those of officers with immediate responsibility in the commercial, economic and tourism fields.

You should feel free to communicate directly with the commercial section at any mission. In addition, the head of post, as over-all manager of the mission, is ready to assist on matters you might prefer to bring to his attention. In such cases, you should get in touch directly.

Posts which do not have a resident trade officer are indicated with an asterisk and the location of the trade office for the area is given. Where appropriate, territorial cross-references are also provided.

While changes occur frequently, every effort has been made to keep the *Directory* as current as possible.

# BUSINESS DIRECTORY OF CANADIAN TRADE REPRESENTATION ABROAD

**For more information  
or for extra copies of this *Directory*  
please contact:**

Cultural and Public Information Bureau (SCS)  
Department of External Affairs  
Ottawa, Ontario  
K1A 0G2

**PLEASE NOTE:**

Companies in Canada communicating with trade  
commissioners abroad by telex should include on every  
telex:

- name of company
- address
- telex number (including regional code)
- answerback

With the above information, replies coming through the  
External Affairs computerized system will be  
retransmitted by NOCAM without manual intervention.

This *Directory* lists all Canadian posts abroad with foreign trade and tourism responsibilities. The names of heads of posts have also been included, together with those of officers with immediate responsibility in the commercial, economic and tourism fields.

You should feel free to communicate directly with the commercial section at any mission. In addition, the head of post, as over-all manager of the mission, is ready to assist on matters you might prefer to bring to his attention. In such cases, you should get in touch directly.

Posts which do not have a resident trade officer are indicated with an asterisk and the location of the trade office for the area is given. Where appropriate, territorial cross-references are also provided.

While changes occur frequently, every effort has been made to keep the *Directory* as current as possible.

**BUSINESS  
DIRECTORY  
OF  
CANADIAN  
TRADE  
REPRESENTATION  
ABROAD**

April 1985

**For more information  
or for extra copies of this *Directory*  
please contact:**

Trade Information Centre (TEIC)  
Department of External Affairs  
Ottawa, Ontario  
K1A 0G2  
Tel: (1-800) 267-8376

**PLEASE NOTE:**

Companies in Canada communicating with trade commissioners abroad by telex should include on every telex:

- name of company;
- address;
- telex number (including regional code);
- answerback.

With the above information, replies coming through the External Affairs computerized system will be retransmitted by NOCAM without manual intervention.

This *Directory* lists all Canadian posts abroad with foreign trade and tourism responsibilities. The names of heads of posts have also been included, together with those of officers with immediate responsibility in the commercial, economic and tourism fields.

You should feel free to communicate directly with the commercial section at any mission. In addition, the head of post, as over-all manager of the mission, is ready to assist on matters you might prefer to bring to his attention. In such cases, you should get in touch directly.

Posts which do not have a resident trade officer are indicated with an asterisk and the location of the trade office for the area is given. Where appropriate, territorial cross-references are also provided.

While changes occur frequently, every effort has been made to keep the *Directory* as current as possible.

Business Directory  
of Canadian Trade  
Representation Abroad

October 1985

Canada

**For more information  
or for extra copies of this *Directory*  
please contact:**

Info Export  
Department of External Affairs  
Ottawa, Ontario  
K1A 0G2  
Tel: (1-800) 267-8376;  
in B.C., (112-800) 267-8376

**PLEASE NOTE:**

Companies in Canada communicating with trade  
commissioners abroad by telex should include on every  
telex:

- name of company;
- address;
- telex number (including regional code);
- answerback.

With the above information, replies coming through the  
External Affairs computerized system will be  
retransmitted by NOCAM without manual intervention.

This *Directory* lists all Canadian posts abroad with foreign trade and tourism responsibilities. The names of heads of posts have also been included, together with those of officers with immediate responsibility in the commercial, economic and tourism fields.

You should feel free to communicate directly with the commercial section at any mission. In addition, the head of post, as over-all manager of the mission, is ready to assist on matters you might prefer to bring to his attention. In such cases, you should get in touch directly.

Posts which do not have a resident trade officer are indicated with an asterisk and the location of the trade office for the area is given. Where appropriate, territorial cross-references are also provided.

While changes occur frequently, every effort has been made to keep the *Directory* as current as possible.

## HOW TO USE YOUR TRADE COMMISSIONER EFFECTIVELY

When contacting Canadian embassies and consulates general abroad you should ensure that letters and telexes contain detailed information to clearly identify the assistance you require. It is recommended that companies develop a systematic marketing plan and contact only those trade commissioners in the target area.

If it is the first time you are contacting a particular trade commissioner you should ensure that the following information is provided:

- YOUR NAME
- FULL NAME and ADDRESS of your company
- YOUR TELEPHONE NUMBER with AREA CODE
- YOUR TELEX NUMBER with ANSWERBACK
- YOUR FACSIMILE NUMBER
- PRECISE DESCRIPTION OF YOUR PRODUCT(S) AND THEIR USE  
(Avoid use of abbreviations which could lead to confusion)
- YOUR MARKETING PLAN — DIRECT SALES,  
AGENCY  
AGREEMENTS,  
MANUFACTURE  
UNDER LICENCE,  
ETC.
- TARGET MARKETS
- EXPORT EXPERIENCE — WHERE ELSE ARE YOU EXPORTING?
- THE MISSION SHOULD BE SUPPLIED WITH AT LEAST FIVE COPIES OF YOUR PRODUCT LITERATURE — as a follow-up to your telex or as an inclusion in your letter.

It is also useful to ensure that trade commissioners are aware of any agents which you may have and any agent changes that you make.

This directory lists all Canadian missions abroad with foreign trade and tourism responsibilities. The names of heads of missions have also been included, together with those of officers with immediate responsibility in the commercial, economic and tourism fields.

You should feel free to communicate directly with the commercial section at any mission. In addition, the head of mission, as over-all manager of the mission is ready to assist on matters you might prefer to bring to his attention. In such cases, you should get in touch directly.

Missions which do not have a resident trade officer are indicated with an asterisk and the location of the trade office for the area is given. Where appropriate, territorial cross-references are also provided.

While changes occur frequently, every effort has been made to keep the directory as current as possible.
